The Blue Exorcist manga series has been serialized in Jump Square magazine since 2009. The series has been adapted into an anime television series, two anime films, and several video games. The anime series has been licensed by Aniplex of America and has been broadcast in North America on Cartoon Network.

The Blue Exorcist manga and anime series have been praised for their action-packed storytelling, their well-developed characters, and their exploration of themes such as family, identity, and the power of belief. The series has been a commercial success, with the manga selling over 20

million copies worldwide and the anime series being one of the most popular anime series of all time.

## Characters

The Blue Exorcist series features a large cast of characters, each with their own unique abilities and personalities.

- **Rin Okumura** is the main protagonist of the series. He is the son of Satan and a human woman, and he possesses both demonic and human powers. Rin is a kind and compassionate person, but he is also impulsive and reckless. He is determined to become a powerful exorcist and to protect those he loves.
- **Yukio Okumura** is Rin's younger twin brother. He is a skilled exorcist and a prodigy in his field. Yukio is intelligent and analytical, but he is also arrogant and aloof. He is determined to prove himself worthy of his father's love.
- **Shiemi Moriyama** is a classmate of Rin and Yukio. She is a kind and gentle person, and she has a strong affinity for plants. Shiemi is a skilled healer, and she is always willing to help those in need.
- **Ryuji Suguro** is another classmate of Rin and Yukio. He is a skilled swordsman and a member of the prestigious Suguro family. Ryuji is hot-headed and impulsive, but he is also loyal and compassionate.
- **Bon Koenma** is the headmaster of True Cross Academy. He is a powerful exorcist and a wise and compassionate leader. Bon is a father figure to Rin and Yukio, and he is always there to support them.

## Mythology

The Blue Exorcist series is set in a world where demons and exorcists exist. Demons are powerful beings from another dimension, and they seek to possess human hosts in order to gain power and influence. Exorcists are trained to fight demons and to protect the innocent.

The mythology of the Blue Exorcist series is based on a variety of sources, including Christian, Buddhist, and Japanese folklore. The series features a number of different types of demons, each with their own unique abilities and weaknesses. The series also explores the concept of Gehenna, a realm of fire and brimstone where demons are said to be imprisoned.

### **Impact on Popular Culture**

The Blue Exorcist manga and anime series have had a significant impact on popular culture. The series has been praised for its action-packed storytelling, its well-developed characters, and its exploration of themes such as family, identity, and the power of belief. The series has been a commercial success, and it has inspired a number of spin-off products, including video games, novels, and light novels.

The Blue Exorcist series has also had a significant impact on the anime industry. The series has helped to popularize the shonen genre, which is a genre of anime that is targeted at young boys. The series has also helped to raise the profile of supernatural anime, which is a genre that explores themes of the supernatural and the occult.

The Blue Exorcist series is a popular and influential anime series that has had a significant impact on popular culture. The series is a well-written and well-produced anime that is sure to appeal to fans of action, adventure, and supernatural stories.
