Nancy Pelosi is one of the most successful and influential women in American politics. As the first woman to serve as Speaker of the House, she has broken down barriers and paved the way for other women in leadership. Pelosi is known for her intelligence, her wit, and her ability to get things done. She is also a devout Catholic and a strong advocate for social justice.

Over the years, Pelosi has shared her wisdom and wit with the world through speeches, interviews, and her book, *Know Your Power: A Message to America's Daughters*. In this article, we will explore some of Nancy's most famous quotes and learn how they can help us live better lives.

**"If you want something said, ask a man; if you want something done, ask a woman."**

This quote is a testament to Pelosi's belief in the power of women. She knows that women are just as capable as men, and she encourages them to step up and take on leadership roles. This quote is also a reminder that women should not be afraid to ask for what they want. If you want something, don't be afraid to speak up and ask for it.

**"The only way to make progress is to get up and do something."**

This quote is a reminder that we cannot sit back and wait for things to happen. If we want to make a difference in the world, we need to take action. This quote is especially relevant for women who want to break down barriers and achieve their goals. If you want to make a difference, don't be afraid to get up and do something.

**"Don't let anyone tell you that you can't do something. You can do anything you set your mind to."**

This quote is a reminder that we are all capable of great things. We should not let anyone tell us that we cannot achieve our goals. This quote is especially relevant for women who face discrimination and prejudice. If you are told that you cannot do something because you are a woman, don't believe it. You can do anything you set your mind to.

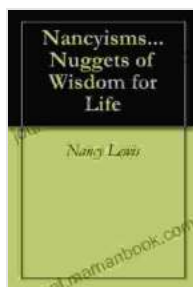

**"We must never give up on our dreams."**

This quote is a reminder that we should never give up on our dreams. No matter how difficult things may seem, we should never stop believing in ourselves. This quote is especially relevant for women who face challenges and obstacles. If you have a dream, don't give up on it. Keep fighting for it, and you will eventually achieve it.

**"We are all in this together."**

This quote is a reminder that we are all connected. We are all part of a community, and we all have a responsibility to help each other. This quote is especially relevant in today's world, where we face many challenges. We need to remember that we are all in this together, and we need to work together to create a better future for all.

Nancy Pelosi is a true role model for women. She is a reminder that we can achieve anything we set our minds to. She is also a reminder that we should never give up on our dreams. Pelosi's words of wisdom can help us live better lives and make a difference in the world.
