Melinda Matthews' novel, *Romeo, Juliet, Petie, and Me*, is a heartwarming and humorous story about two families who come together in the most unexpected way.

The story begins with Petie, a lonely 12-year-old boy who lives in a small town in Ohio. Petie's parents are divorced, and he spends most of his time alone, reading books and watching movies.

One day, Petie meets Romeo and Juliet, two new students who have just moved to town. Romeo is a handsome and charming boy, while Juliet is a beautiful and intelligent girl. Petie is immediately drawn to them, and they quickly become friends.

However, Petie's friendship with Romeo and Juliet is not without its challenges. Romeo and Juliet are from a wealthy family, while Petie is from a working-class family. Their different backgrounds lead to some misunderstandings and conflicts.

Despite these challenges, Petie, Romeo, and Juliet eventually learn to accept each other for who they are. They form a strong bond that helps them through some of life's most difficult challenges.

Romeo, Juliet, Petie, and Me is a well-written and engaging novel that will appeal to readers of all ages. Matthews' characters are well-developed and relatable, and her story is both heartwarming and humorous.

I highly recommend this novel to anyone who is looking for a good read.
