

The Night Shift: A Spine-Chilling Novel That Will Keep You on the Edge of Your Seat

The Night Shift is a heart-pounding thriller that will have you on the edge of your seat from the very first page. This gripping novel tells the story of a group of nurses who work the night shift at a small-town hospital. Each nurse has their own set of challenges to deal with, both on and off the job, but when a series of strange and disturbing events begin to happen, they realize that their lives are in danger.

At the heart of *The Night Shift* is a cast of well-developed and relatable characters. There's Claire, a single mother who is struggling to make ends meet. There's Ben, a new nurse who is eager to prove himself. And there's Dr. Patel, a brilliant but troubled physician who is hiding a dark secret.
