

Unbelievable Pictures And Facts About Mongolia

Mongolia is a landlocked country in East Asia, bordered by Russia to the north and China to the south, east and west. It is the world's 19th largest country by land area, and the most sparsely populated, with a population of just over 3 million people.

Mongolia is a country of extreme contrasts, with vast, empty grasslands in the south and towering mountains in the north. The climate is also extreme, with hot summers and cold winters. Despite the harsh conditions, Mongolia is home to a diverse range of wildlife, including wolves, bears, snow leopards and wild horses.
